Subject: Toronto Western Hospital smokestack project

Dear Miklos,

This is a statement of my support of your initiative to repair and paint a spiraling mural on the smokestack of the Toronto Western Hospital.

I believe that your *Blue Spiral* project will serve to physically recuperate and visually enliven the Toronto Western Hospital's smoke stack while also providing an aesthetic link with the architecture of other innovative Dundas St West landmarks such as the Art Gallery of Ontario, the University of Toronto and the Ontario College and Design buildings.

Best of luck with your endeavor!

Sincerely,

Carla Garnet, M.A., A.O.C.A.
